

HGV Technician - Liverpool

S Norton & Co Ltd are proud to be one of the country's leading metal recycling companies.

Following major investment, this role will join our experienced vehicle maintenance team in their brand new, state of the art facility based on Regent Road/Sandhills Lane, Liverpool.

The role requires the job holder to ensure all vehicle are maintained to VOSA standards. These will include all HGV vehicles, trailers, company cars and vans. Whilst the job role is based in Liverpool, from time to time the job holder will be required to work at our other company sites

Key Responsibilities:

- Service and inspect all vehicles to VOSA standard
- Diagnose and rectify any faults that may arise
- Identify and order parts as and when required
- Participate in the depot call out rota
- Carry out breakdown when necessary
- To complete and maintain all documentation on the company's vehicle maintenance system
- To make written and/or verbal reports to line managers as required
- To attend progress meetings with line managers as and when required
- Carry out any additional duties that may be reasonably requested from time to time
- To comply with company policies and procedures as defined in the Employee manual and the post holders' terms & particulars of employment

Key Competencies:

- The ability to work part of a team
- The ability to work on own initiative
- Excellent time management and organisational skills
- Excellent time keeping and attendance
- A flexibility approach including the willingness to work outside normal hours as and when required
- The ability to manage tasks and meet deadlines
- An analytical, problem solving approach

Essential Skills:

- Proven track record of working in a comparable role
- NVQ level 3 or above in HGV mechanics
- The ability to strip down components and rebuild
- Knowledge and experience of inspection methods/processors
- Knowledge and experience of statutory vehicle inspection requirements
- IT Literate with the ability to use a range of packages applicable to the role, including Microsoft Word, Excel and Outlook (emails)
- Full UK driving licence
- Excellent communication skills, both verbal and written

Desirable Skills

- HGV class 2 or 1 Licence
- Forklift truck licence
- The ability to work in a clean room environment
- IRTEC qualified
- Relevant training on Hiab/Multi-lift equipment
- Welding and hot work knowledge/experience
- Ability to utilise/understand diagnostic equipment (preferably Jaltest)

Core hours of work are 07.45 to 17.00 Mon-Fri. Overtime working will be required from time to time.

For the purposes of Health and Safety applicants should have a good command of English Language, literacy and numeracy skills, and the ability to read notices and follow instructions.

S Norton operate a zero-tolerance drug and alcohol policy and successful applicants will be subject to a drug test prior to an offer being made.
