

Certificate of Approval

This is to certify that the Management System of:

S Norton & Co Ltd

Bankfield House, Accounts Department,, Regent Road, Liverpool, L20 8RQ, United Kingdom

has been approved by LRQA to the following standards:

ISO 9001:2015, End of Waste Regulations to European Regulation EU/1179/2012 & EU/333/2011, ISO 14001:2015, ISO 45001:2018, Competence Management System - Energy & Utility Skills (Private Standard) Version 5

Approval number(s): ISO 9001 – 0080236, EU/1179/2012 & EU/333/2011 – 0044076, ISO 14001 – 0080237, ISO 45001 – 00029638, CMS – 00030963

This certificate is valid only in association with the certificate schedule bearing the same number on which the locations applicable to this approval are listed.

The scope of this approval is applicable to:

Recycling solutions from sources including domestic, commercial, ELV and industrial collections. This includes the separation of metallic and non-metallic fractions and the processing or repackaging of these fractions to assist or enable further processing (with logistics services in support), the manufacture of non-metallic fractionated material from waste for further processing including disposal of waste by-products also for further processing and the manufacture of separated polymer granulate and extruded polymer from waste plastic.

This certificate is a continuation of a previous approval from another certification body as follows:

Previous original ISO 14001 approval on 26-MAR-2018, UTAC certificate number SME/3190

Previous original ISO 9001 approval on 24-JAN-2019, UTAC certificate number SQ/3190-1

David Derrick

Regional Director, UKAM
